

A13 · Weekly Adoption Summary

THE INNOVATION CODEX TOOLKIT

Provide the weekly huddle with a standard report that turns data into one committed change.

Reporting Period

Primary Metric vs. Goal

Status

Green

Yellow

Red

Supporting Metrics

Top Blocker

Change to Test This Cycle

Every red or yellow metric leaves the huddle with exactly one change to test.

Owner

Next Review

Decision rule. Every red or yellow metric leaves the huddle with exactly one change to test and one named owner. A metric discussed without an owned action returns unchanged next week.
